Judging will be done by a professional artist or art curator. Judging of entries takes into account how the artist depicts the theme of the exhibit. The theme is subjective to the individual artist.

**Categories:**

Fine Art - which is usually a painting of varied medium on canvas or board.

Sculpture/3D - A variety of mediums are used in sculptural design.

Photography - Depiction of subject using camera or digital application.

Adult and Student Divisions are separate. Awards given in both.
